<b>DOD: 1-10-08</b>		<b>MARIA MALDONADO</b> , daughter and Conservator, is Petitioner.	<b>NEEDS/PROBLEMS/COMMENTS:</b> <u>Minute Order 8-18-11:</u> Mr. Cross advises the Court that he has been waiting on documents from the CA Dept. of Health. Mr. Cross objects to the accounting and requests a continuance. Matter continued to 9-22-11. <u>Note:</u> Examiner has been informed that Mr. Cross' client no longer wishes to object (letter to Atty Shepard dated 9-15-11 is in the file).  1. CA Dept. of Health filed a Creditor's Claim for \$31,862.35 and a Request for Special Notice on 9-13-11. Therefore, need proof of service of Notice of Hearing with a copy of the Petition on CA Dept. of Health at least 15 days prior to the hearing per Probate Code §1252.  2. Charges (\$172,745.98) and Credits (\$167,526.62) do not balance for the first account period (ending at DOD).  3. For discharge, need Mandatory Judicial Council Form GC-395 Ex Parte Petition for Final Discharge and Order, and proper receipts.  <u>Note:</u> The disbursements schedule contains items that did not initially appear to be related to the conservatorship. Examiner previously questioned certain specific line items and expenditures on the home because it appeared that the Conservatee lived with Petitioner and should have only been responsible for a share of expenses. However, Petitioner's declaration explains how the various disbursements were necessary, and explains that she moved into the <i>Conservatee's</i> home to care for him for a time period, which explains why the conservatorship estate was paying all home expenses. <u>Note:</u> Petitioner's declaration states that in 2004, her brother informed her that the real property was his and moved into a small shed/house on the back of the property. To the best of Petitioner's knowledge, he continues to reside there rent free. Examiner notes that since the real property was inventoried as part of the conservatorship estate, it will continue to be treated as such.
